**Dear Buyer, Sponsor and Supporters,**

**Happy New Year. I hope this letter finds you well.**

**As you know, we are approaching that time of year again. We are hosting the 52nd Annual Klein ISD Livestock and Project Show the week of February 9 -13, 2021. Due to the COVID-19 outbreak, we have made some adjustments to ensure the safety and health of all involved. According to the guidelines set before us, we are required to limit the in-person event participation, wear masks, and appropriately socially distance.**

**The project shows are not open to the public. Student exhibitors are limited to three admission wristbands for themselves and their immediate family. The good news is that everyone can watch the shows via live stream online or on the big screens in the Klein ISD Multipurpose Center Ballroom.**

**The auction will take place on Saturday, February 13, 2021 at 1:30 pm at the Klein ISD Multipurpose Center Auction Arena. Information about preregistration is available on the show website noted below.**

**Registered buyers can join the auction in person and live online. You will also have the same option (in person or online) if you choose to purchase a project from the tent/freezer sale. This year we will forgo the awards ceremony and buyers' lunch. Sponsors will still receive a photo of the recipient with the buckle or trophy in appreciation of sponsorship.**

**More information regarding the show and auction can be found on our website [www.kleinisdcte.net/kisd-ffa-livestock-and-proect-show](http://www.kleinisdcte.net/kisd-ffa-livestock-and-proect-show).**

**Please know that you are a very valuable and appreciated part of our show and community. We thank you for your continued support look forward to seeing you at the auction.**

**Should you have any further questions please feel free to contact me or any of the Show Committee board members.**

**Sincerely,**

**Noel Tipton, President**
