- Save significant time and money

\*Texas Workforce Commission

## TARGET STUDENT:

- Enrolled in Algebra I in 8th Grade
- Interested in patient health care problems, developing and implementing nursing care plans, and maintaining medical records.
- Excited about completing a rigorous, fast-track program to a career as a nurse. Registered Nurses (RN) are in demand with the highest projected occupational job growth in Texas.
- May have a desire to pursue an advanced degree or specializing in one particular area of nursing (i.e., Certified Registered Nurse Anesthetist or General Nurse Practitioner) to increase their earning potential.
